WORK IN SALINAS IN THE CCC ... LEARN MORE MARCH 7, 8

The California Conservation Corps is guaranteeing jobs in Salinas and giving young people a chance to learn more about them.

The CCC will offer orientation sessions in Salinas Monday, March 7 and Tuesday, March 8 from 9 a.m. to 4 p.m. Corps staff will be on hand at the One-Stop Career Center, 730 La Guardia Street, Salinas. Parents are welcome to attend.

The CCC has immediate openings for full-time positions on its Salinas crew, with women encouraged to apply. Applicants must be between 18 and 25 years of age, California residents and not on probation or parole. Those attending the orientation session should bring a photo ID and either a Social Security card or birth certificate.

Training, job skills, outdoor work, career direction and more ... all this is part of the CCC. Corpsmembers work each day on a variety of natural resource projects; they may also be dispatched to floods, fires, earthquakes and other natural disasters. The CCC also assists young people in earning their high school diplomas.

To learn more about the CCC, drop by one of the Salinas orientation sessions or make an appointment by calling 1-888-531-5627. Information on the California Conservation Corps is also available on the Web at **www.ccc.ca.gov**.
